

## St. Dunstan Church Confirmation Program – Year 2

# My Statement of Faith

*“Whoever finds God, finds everything. Whoever loses God, loses everything.”  
St. Robert Bellarmine, SJ*

Our parish asks all Confirmation Candidates to reflect on where you are in your faith. You can be sure of some things but struggle with others. That is normal and expected as you mature with your faith!

*Tell us why you are here...Tell us what you believe...Tell us why you want to be confirmed in the Catholic faith.*

Questions that should be answered in your statement of faith:

- Who am I? – could be background on your interests, school, family...
- What do I believe in? Do I believe in God? Jesus? The Catholic Faith?
- What do I still struggle with about my faith? What do I still not understand about my faith?
- Do I go to Mass? Why or why not?
- What is the most meaningful service I have done?
- How will I help my parish community going forward?
- What does being a Catholic mean to me?
- What will I do to show the world that I am Catholic?
- How will I continue to grow in my faith in Jesus Christ?

Prepare a 2-page essay (typed, 12 point, double spaced) that expresses your statement of faith – be sincere and put together something that shows who you truly are!
